|            | a. Discussed the USCIB Meeting to which he was going<br>immediately following this meeting and stated there was some<br>difference of opinion on three points:   |                   |
| 25X1       | (1) He felt it desirable that there be a joint discussion on a uniform policy on dealing with the organization on COMINT material. The Director agreed.  | <sup>]</sup> 25X1 |
|            | (2) Said the Defense Department has raised the question of whether or not ELINT should be discussed in this meeting and our position is to mention it but then to confine the discussions only to COMINT matters and those ELINT matters which have a COMINT connotation. The Director agreed.   |                   |
|            | (3) Discussed Defense's request that military commanders in Europe be given special subordinate authority to pass COMINT counterintelligence to the and stated that our position was that we were willing to have the commander have the same latitude to handle CI/COMINT as they have in regular COMINT. The Director said he felt the best position | .25X1<br>.s       |
|            | would be that we did not feel any office was competent to receive this material at this time and we would prefer to postpone it until we have a secure and beneficial channel.   | 25X1              |
